

## Driving Business Towards Sustainability

### 1. Policies and Goals on Sustainability Management

Making a report of social responsibility or corporate sustainability report is a compilation of social and environmental activities and also activities inside and outside of the company by using existing resource of the company and outsourced resources. This can lead to the coexistence in the society with happiness. The company believes that these activities can enhance the development of both the company and the society enduringly.

Consequently, the Board of Directors has established a policy regarding the responsibility to all stakeholder groups under the corporate governance policy which has been drawn up in 2004 and the latest policy review every year in December 2019, as described in the Enclosure no. 6. Corporate Governance and disclose the said policy on the company website at [www.asiahotel.co.th](http://www.asiahotel.co.th) and in the annual report as well.

Nevertheless, the company currently does not report in accordance with the framework of GRI (Global Reporting Initiative). All of these may take time.

Because the company is divided into 2 business groups which are hotel and restaurant business group and shopping rental area business group (real estate), major stakeholders of business, in addition to the company's shareholders, are our employees, customers, partners, surrounding environments, and societies. At present, the company focuses on the business operations of the company and its subsidiaries on corporate social responsibility as following:

1. Fair Operating Practice The company promotes and enhances a free and fair trade competition policy, not monopolize the trade or require traders to specifically supply goods for the company only and no policy to obtain the competitors' information illegally and unethically. Dealing with business partners should not cause the damage of the company's reputation or conflict of the relevant laws. Equality and mutual benefits should be considered and Business partners should be selected fairly. By the way, the Company considered that partners are an important factor to create value and reliability for customers.

2. Anti-Corruption The Company determines directors, executives and employee act with integrity, honesty and transparency by considering the highest benefits of the Company and related persons. Must not accept or offer gifts or presents from customers, partners, contractors, vendors, service providers or government officials. If employee accepts gift of more than nominal value, given on traditional occasions, employee must inform supervisor. Accepting to do any task for any business activities by receiving payment directly or indirectly, employee must report to supervisor about the relationship. Accepting or entertaining customers, partners, contractors, vendors or service providers must only be done for benefiting the Company business deal. Entertaining must not cause damages to reputation of the Company and its stakeholders.

In 2013, the company focuses on anticorruption policy. 12<sup>th</sup>/2013 committee meeting on 13<sup>th</sup> December 2013 considers the approval of participating in an alignment of private cooperation against corruption ( Collective Anti – Corruption) "CAC". This is to provide benefits to both inside and outside organization.

In July 2014, the Board of Directors meeting No. 9/2014 has approved the Anti-Corruption Policy and are adopted in the company and its subsidiaries. The company has reviewed Corporate Governance Policy, prepared Guide of the Anti-Corruption Policy, as well as A Whistle-Blowing and Protection of the Complainant Policy, Regulations of Give and Receive a gift, Regulations of donation for a charity or becoming a patron, which will be consistent and support Anti-Corruption Policy. In addition, there has been a communication to all concerned parties. In particular, training employees to have knowledge, understanding, and awareness of the policy. The Audit Committee is reviewed for completeness and correctness of the implementation of the Anti-Corruption Policy. The aforementioned policy and the policy manual can be found in Attachment 5. Other topics are as attached.

In December 21, 2016, the Company sent out the self-assessment report and the related anti-corruption details to Institute of Directors (IOD) which is secretary of this "CAC" project, in order to be approved of being a member of private sector of Thailand Against Corruption (Collective Anti-Corruption) "CAC". Subsequently, the CAC Council held a meeting on November 10, 2017. The resolution was approved by the CAC Council to bring the documents back to the CAC on the recommendation of the CAC sub-committee. Asia Hotel Public Company Limited can re-enter the project by signing the declaration of intent again. At present, in 2023, the company is not yet ready to submit documents for re-certification. With the situation of the epidemic of covid-19, the company continues to monitor and follow the policy for corruption complaints. At the end of 2023, no complaints have been filed to the company in accordance with the specified process.

3. Respect for Human Rights The Company give a respect to basic human rights categorized into 2 category. The first category is the civil and political rights and rights of freedom in expression and the second category is socio-economic and cultural rights, right to work or right to receive food, and right in health. The Company support social activities and employee activities which don't affect or damage to the reputation or interest of the Company or doesn't polished any duties of people. Use political right according to the law and avoid actions that can cause misunderstanding that the Company

involved in any political parties. However, in terms of political rights, the company encourages employees to take 2-hour voting right without deduction.

4. **Fair Labor Practice** Employees are the most valuable resource and a key to the success of the company business. The company, therefore, creates a good work culture and environment as well as enhances teamwork, treats to employees gently and respects each individual's right to privacy. Employment, appointment and transfer of employees will be considered, based on ethical conduct and human resource will be utilized to gain the most benefit for the company. The company will treat employees equally and fairly without regard to gender, race, nationality, religion and creed. The company has a responsibility to create a good work environment and safety for life and assets of employees and persists to follow labor law strictly as follow:

4.1 Children of employees are encouraged to come to hotel with their parents during their school break, to read or enjoy their day in a provided area. Moreover, employees are allowed to look after their children during lunch break.

4.2 The company also supports the employee saving project by approving the Asia Hotel Saving and Credit Cooperative Limited to be founded more than 23 years ago and operated by their co-op committee. They have confident that the company's cooperative has been well-supported by the organization, showing financial strength to assist members in difficult times. Currently (in the year 2023), some members resigned during the COVID crisis period but they have returned to reapply as new members, aiming to save their asset. The number of members has increased by 76.3% this year. Moreover, the cooperative has been evaluated and awarded the "Passed Standards" status for cooperative standards by the Cooperative Promotion Department, Bangkok Area 1, in the fiscal year 2023.

4.3 The company set up the welfare staff committee including the hotel manager and the head of departments to monitor the welfare of employees such as cremation funds and helping the flooding victim.

4.4 Provident Fund managed by Thanachart Fund Management Co., Ltd. has been provided for employees' and executives' security since 2011, detail in topic 7.5 employee

4.5 The management has set up a project to benefit the employees and extended to their relatives and friends to book accommodations in all 4 hotels: ASIA Bangkok, Asia Airport, Asia Pattaya, Asia Cha-am and Darley Hotel Chiangmai at special prices. The bookings need to be verified by Personnel Department.

4.6 The company provides flu vaccination and annual physical examination and during the COVID-19 pandemic. The company coordinates that all employees are vaccinated for protection all the time, from needle 1- needle 4.

4.7 The company regularly takes care of the safety of its employees by helping reduce accidents at work. In 2023, there are no accidents of employees due to the reduction in sales of hotel restaurants and banquets which is the impact of the outbreak of the coronavirus.

5. **Consumer Responsibility** The company is willful to provide the satisfactory and reliable service to customers with quality rooms, foods and beverages at reasonable price as well as maintain a good relationship. The company, therefore, establish a code of conduct **quality rooms, food and beverage service**. The Company is willful to raise the standard to a higher position continuously and disclose information regarding the location and service completely, correctly and accurately.

#### 6. **Innovation and dissemination of CSR innovation from social responsibility**

The company places importance on saving energy, saving time to increase efficiency and quality of work. By using the internal communication system with a convenient application via modern mobile phones to work in various departments such as the housekeeping department, reception desk, etc. In addition, additional computer systems have been used in these kitchen tasks, it can increase the efficiency of work within the organization. Both in providing good customer service and faster. As well as increase the efficiency of internal control, data storage, report preparation for management and coordination between departments can be improved in addition to increasing efficiency and quality of work, also makes it possible to reduce work time and reduce work problems as well.

The company has continued planning to improve work efficiency and modernize various machinery by using new innovations computer system, the computer program as well as various tools for organizational development and society continuously and sustainably forever.

## 2. **Managing stakeholder impact in the business value chain**

### 2.1 **Business value chain**

ASIA Group's business has had divided into two parts, which are;

1. Hotel business and restaurant; included in accommodation, restaurant, banquet rooms, conference rooms, rental area and others such as SPA, swimming pool and gym.
2. Rental area business; both short and long term.

**Hotel Business and Restaurant**

**Primary Activities**

Front office practices, which are marketing/reservation/lodging facilitation and safety, aimed those trained employees (reception, housekeeper and food and beverage sector) be impressive service to customers.

**Support Activities**

Community	Developing the community with the sustainable development and supporting community activities.	Creating good relationship with neighbor by sharing and contributing career opportunities to community.

**3. Management of Sustainability in Environmental Dimensions**

**3.1 Environmental Policies and Guidelines**

The company considers the environment to be a related relationship between human, animals, trees, life, mind, balance and living together. Therefore, environmental care is the responsibility of the company to society and is the duty of every employee with the objective, protect pollution, Control the weather, wastewater and waste material from operations to be better than the standard and the regulations prescribed by law, saving resources, comply with the existing and future applicable law and improve the environmental quality continuously.

The Company recognizes that the occupational health and safety management system is a part of the business which is important. It is the direct responsibility of all executives and employees to ensure that the operations are in accordance with the occupational health and safety plan and comply with The Thai law and international standard and to improve the prevention of hazards that might affect to employees, clients and related persons continuously according to the objectives set up from risk assessment as follows:

- To prevent accidents caused by fire and explosion.

- To prevent chemical hazards
- To prevent injuries caused by mechanical works
- To prevent dangers from electrical works

In order that, executives shall inform all employees about objectives, provide adequate and sufficient resources for achieving defined objectives and goal, set up proper training for employees at every level to be able to perform their duties and responsibilities as well as review management policy, execute the audit periodically and support employees to share their opinions.

The Company realizes the importance of environment and engages in many environmental projects, as well as gives knowledge to employee and improves the environmental quality continuously such as:

- Energy** - For energy conservation the light bulbs have been changed to energy saving bulbs, glass windows and doors are heat protected
- Light sensors have been installed at the car park building in the evening
  - Automatic door was installed to keep the cool air inside.
  - The changing of the chiller machine from the original system to a new system with better machine performance, thus saving energy. In the laundry department have changed the old ironing machine, to be a large automatic fabric ironing machine add automatic towel roll machine which can save working time, save electricity, steam energy and save labor significantly. In the kitchen has added many modern kitchen types of equipments, making cost savings and significantly save working time.
- Water** - “Save natural resources campaign” has been set and invite guests to join by not changing bed sheets and towels everyday if guests stay more than one night.
- Water saving type of bathroom appliances are used in the guestrooms.
- Garbage** - Producing micro organism water from the fruit skin and use it to clean fat residue in the kitchen, use as fertilizer for plants and spray to keep away insects. Those help reduce the use of chemical and the waste from food scraps.
- Reduction of plastic use. The company has reduced plastic waste with the following actions:
    1. Change some disposable plastic containers into other biodegradable containers.
    2. Canceling use of wrapped plastic of water bottle caps.
    3. Reduce the plastic tubes in various dining rooms, except in the case of customer requesting.
    4. Reduction of spoon-fork plastic for food or snacks that customers buy back home and the bakery shop, except in the case of customers requesting.
    5. Encourage customers to refrain plastic bags when buying snacks in the hotel bakery.
- Waste** - To help reduce the waste the cancelled bed sheets and towels are made and used as hand towels replacing paper towels in the public toilets.
- Pollution** - The company has improved and changed many large machines that have a long service life, cumbersome work, consumes energy, long time and labor, such as changing the boiler machine from the grade A fuel oil system to a gas system to reduce air pollution.
- Carbon footprint** - No action has been taken on this issue.

“Green ASIA Hotel” Project. The company has participated in Green Leaf Project to develop the efficiency of the energy usage and also to develop the tourism and hotel business environment. The aim is to focus on the energy and resource usage with realization. Asia hotel has already supported this project continuously by establishing the Green ASIA committee including restaurant personnels, housekeepers, mechanic personnels, stewards, and accountants which are add up to around 40 persons. These committees together with outside consultants are brainstorming and established 3 issues to improve including energy, waste materials sorting, and safety.

In 2014, Asia hotel has been selected to be an operative model of “Green Hotel” for other hotels who are participated in. The model of operation including

1. Every steward in the hotel to understand the objective of sorting waste materials in accordance with Green Improvement Plan. The content for stewards to understand also includes scoping where to improve and follow up the plan.
2. To train the associated personnels
3. To record the quantity by weight and sorting the type of wasted material
4. To set rules for mechanic personnels and chefs to always wear shoes during their works.
5. Set up a plan to reduce the electricity usage by using energy conserving light bulbs, recording the electric usage of light bulbs, set up time for dish cleaning due to its high water and electricity usage.
6. Arrange Green hotel slogan contest for all levels of Asia hotel personnels and hotel subsidiaries.

At the present Asia hotel did not join in Green Leaf Project but Asia hotel has already supported Green ASIA Hotel continuously and has continue to apply to subsidiary hotels.

### 3.2 Environmental Performances

ASIA has no managing environment data recorded including in energy savings, water, electricity, waste disposal, re-use/recycle and Greenhouse Gas Emissions. Those data recently have not been appraised, compared or analysed as a concretization. In the future, the company has been planning to collect those data to specify clearly strategy of related environment in business and value chain. This takes into consideration of consuming resources worthwhileness and reducing environmental impact.

However, in 2023, the company collected data on the amount of electricity consumption, water, LPG, and fuel oil. The amount of expenses paid by each place Compare with 3 years ago as follows:

#### Fuel and Energy - Related Activities - Electricity

1. The amount of electricity purchased for use in the organization from electricity service providers or suppliers such as the Metropolitan Electricity Authority/Provincial Electricity Authority and the lessor of buildings and premises for business.
2. Expenses purchased for use in the organization.

## 4. Sustainability Management in Social Dimensions

### 4.1 Social Policy and Guideline

ASIA stipulated the company ethics to social responsibility adherence, which correspond with common interest and environment, together with contributing social development, virtue and morality through out the organization (including in committee, management and employees in ASIA). The organisation without virtue and morality cannot be a sustainable organization. This also consist of human rights respectation and comply with the labor fairly, responsible for products and services to customers and participating in social and community development.

### 4.2 Social Performances

#### (1) *Employees and Workforce*

ASIA and its subsidiaries have been consistently a fair employment and salary. The company has training program to support and develop employees, comply with employees' satisfaction, security management, occupational health, workplace environment. The company had been acting on human rights both employment and treating employees, which construct the royalty in the organization.

(2) Customers

ASIA has devoted service to customers with complacency and confidence by focusing on room, food and beverage service quality in reasonable price and maintaining a good relationship between hotel and customers. The company intends to constantly and conscientiously raise its standards, disclosing undistorted information, maintaining personal information of customers/committee/management/employees without consent excluding prescribed by law.

In the year 2023, the company received satisfaction from customers ranging from good to excellent levels. However, there were some complaints about inconveniences due to ongoing renovations within the hotel, such as noise and odors, particularly in the lobby and banquet rooms on the third floor. It is anticipated that the renovations will be completed by mid-2024.

### (3) Community and Society

ASIA has operated with responsibility to common interests, environment and social well-being development. The company has focus on reducing environmental impact and avoiding badly consequences to nearby community.

In late 2023, there were complaints from neighbors residing near the back of the parking building where the boiler for the hotel's laundry system, which used oil, was located. This caused odors and smoke that disturbed the neighbors, making it difficult for them to breathe. The management prioritized this issue and resolved it by switching to a gas system for the boiler in early 2024. As a result, the problem no longer persists.

In addition, the company also contributes to improving the quality of life and promoting community involvement every year. This includes activities such as offering alms to monks in front of the hotel building or providing gifts on Children's Day at seminars in local schools like Kangphet School and Chaimongkol Temple School, which are located in nearby communities.

ASIA normally has projects regarding tourism and hotel personnel development with educational institutions at the bachelor's and undergraduate education levels. However, since 2020, during the COVID-19 pandemic, until September 2022, there has been an effect on ASIA Bangkok's business. The company was concerned about the interns' health and safety, so the internship was restricted. When the situation improved in October 2022, ASIA began the internship program with educational institutions again.

By recognizing the importance of human resource development in the tourism and hotel industry, the company's management has implemented two levels of collaboration with educational institutions:

1. Bachelor Degree The objective is to foster collaboration between the public sector or relevant organizations to jointly promote and support the enhancement of practical skills among university students. This collaboration aims to provide students with specialized knowledge and expertise in the fields of hotel management and tourism, ensuring that they become qualified professionals aligned with the needs of the industry. Moreover, it aims to enhance their competitiveness internationally.

The project outline and agreement are the followings:

- 1.1 Requirement for Hotel participated in the program
    - 1.1.1 Management and Service Policy Standard
    - 1.1.2 Responsible people to cooperate and give advice for students
    - 1.1.3 Prepare sufficient resource and budget for students
    - 1.1.4 Propose a job description to the university prior to the program
    - 1.1.5 Present legitimate criteria of student selection to the program
  - 1.2 Academic standard
    - 1.2.1 Preparation process, orientation training session and the company regulation to acknowledge students
    - 1.2.2 Students need to work full-time with employee, the hotel assign the task to match the course of study
  - 1.3 A mentor, have to expertise in the work, be consulting, take care, advice and evaluate the performance of student, present to the institution. The hotel must inform mentor's name in advance.
  - 1.4 Evaluation standard and audit process will be made by hotel.
2. Vocational and high-vocational certificate Memorandum of Understanding for Collaboration in Vocational Education Development between Educational Institution and Asia Hotel Bangkok.

#### **Khemarat Industrial And Community Education College, Ubon Ratchathani Thailand**

The program has started since May 2014

*Objective:* To support, promote knowledge and practice student experience at vocational certificate level (vocational certificate), produce personnel at the level of semi-skilled craftsmen, craftsmen, technicians and in the hotel and tourism business. To develop students' potential students have higher professional qualifications together with Asia Hotel, this is the development of a bilateral vocational education system to practice student performance to be consistent with the needs of the workplace systematically and continuously. There is a 3-semester cooperation period from 1 April 2014 to the present. The hotel must arrange for accommodation allowances, uniforms, transportation costs, medical expenses and supervisor to take care students throughout the career training period. If this agreement due, they can be automatically renewed for another 3 semesters.

Additionally, the company regularly collaborates with general educational institutions by providing support for student internships in various fields of study. This collaboration involves facilitating internships for students to gain knowledge and practical experience before entering the workforce.
